TARGET VESSELS

Available now as cook, galley steward or deckhand. Norway first — crab boats, fishing boats, whale boats — then oil and gas rigs, wind-farm vessels, PSVs, tankers, supply ships, Holland and North Sea vessels. Not seeking restaurants, hotels, construction, airports or other land work. Galley is the main job. Deck support if trained on the task. No seasickness.

SEA-RELEVANT SKILLS

- **Volume** — 25+ years of continuous production for a full watch. Back-to-back services, large crew feeding, no gaps between sittings.
- **Seafood** — fish handling, butchery and specialised fish dishes, Japanese and Asian seafood technique. Same hands for crab boats, fishing boats and whale boats.
- **Long hours** — early starts, late finishes, physical work, short nights, often 12–14 hour days. Used to a confined galley.
- **Cold** — Norwegian coastal winters, Molde 2014–2016. Own 36.6 ft Dutch steel sailboat Kees. Comfortable wet and cold for long periods at sea.
- **Hygiene** — Food Hygiene Level 3 HACCP, temperature control, stock rotation, allergen control, MLC 2006 galley standard.

SEA TIME

- **Own vessel** — **Kees, 36.6 ft Dutch steel sailboat.** Time at sea, practical deck work, no seasickness.
- **Norwegian coast, Molde 2014–2016.** High-volume seafood production in a Norwegian working environment. D-number held.
- **Commercial galley years, 2000–present — skills only.** Past kitchen work is listed only for what transfers to a boat: volume, seafood, long hours, cold and hygiene. No land role is offered.
