PROFESSIONAL PROFILE

25+ years feeding crews at volume, in the cold, on long shifts. Fully ticketed for Norwegian Continental Shelf and North Sea operations: OPITO BOSIET (CA-EBS), Norwegian Escape Chute, OPITO MIST, full STCW, ENG1, OEUK medical, Level 3 HACCP (MLC 2006). Owns a 36.6 ft Dutch steel sailboat “Kees” — no seasickness, comfortable with long periods at sea and cold conditions. Open for cook, galley steward or deckhand on crab boats, whale boats, fishing boats, wind-farm vessels, oil and gas rigs, PSVs, tankers, supply ships, Holland and North Sea vessels. Available for immediate start.

SEA-RELEVANT EXPERIENCE & TRANSFERABLE SKILLS

Experience listed by skills that transfer directly to vessel galley and deck work. Past kitchen roles are summarised only by volume, seafood, long hours, cold and hygiene — no land-based job titles.

- **Volume** — continuous production for a full watch. Back-to-back services, large crew feeding (50–1,000+ covers), no gaps between sittings.
- **Seafood** — fish handling, butchery, specialised fish dishes, Japanese and Asian seafood technique. Directly useful on crab boats, fishing boats and whale boats.
- **Long hours** — early starts, late finishes, physical work, short nights. Used to a confined galley and a moving deck.
- **Cold** — Norwegian coastal winters in Molde (2014–2016), own steel sailboat, comfortable working wet and cold for long periods.
- **Hygiene** — Food Hygiene Level 3 HACCP, temperature control, stock rotation, allergen control, MLC 2006 galley standard.
- **Norwegian coast, Molde 2014–2016** — high-volume seafood and Asian production in a Norwegian working environment. D-number held.
- **Own 36.6 ft Dutch steel sailboat Kees** — practical time at sea, deck work, no seasickness.
