TARGET — BOATS AND OFFSHORE ONLY

- Cook and deckhand on crab boats, whale boats and fishing boats.
- Galley steward or deckhand on wind-farm vessels, oil and gas rigs, PSVs, tankers and supply ships.
- Holland and North Sea vessels. Norway first. Available for immediate mobilisation.
- Not seeking restaurants, hotels, construction, airports or other land work.

PROFESSIONAL PROFILE

Cook, deckhand and galley steward. Twenty-five years feeding people at volume, with seafood handling, long hours, cold work and Level 3 HACCP hygiene. Certified for the Norwegian Continental Shelf and the North Sea: OPITO BOSIET with CA-EBS, Norwegian Escape Chute, OPITO MIST, full STCW, ENG1, OEUK medical and Food Hygiene Level 3. Owns a 36.6 ft Dutch steel sailboat, Kees. No seasickness. Comfortable with cold and long periods at sea. Galley is the main job. Deck I can do. I am a cook — not a rigger, not a roustabout.

SEA-RELEVANT EXPERIENCE

Volume — continuous production for a full watch. Back-to-back services, large crew feeding, no gaps between sittings. A crew of twenty or eighty is normal work.

Seafood — fish handling, butchery and specialised fish dishes, plus Japanese and Asian seafood technique. The same hands for crab boats, fishing boats and whale boats.

Long hours — early starts, late finishes, physical work, short nights. Used to a confined galley and a moving deck. 2/2, 3/3 or 4/4, the pattern the vessel runs.

Cold — Norwegian coastal winters, Molde 2014–2016, own steel sailboat. Comfortable working wet and cold for long periods.

Hygiene — Food Hygiene Level 3 HACCP, temperature control, stock rotation, allergen control, MLC 2006 galley standard.

Norwegian coast, Molde 2014–2016 — high-volume seafood and Asian production in a Norwegian working environment. D-number held.

Own vessel — Kees, 36.6 ft Dutch steel sailboat — time at sea, practical deck work, no seasickness.
